I'm passionate developing iOS apps, solving problems and learning about technology, I like new challenges to work and I'm looking to improve my Swift iOS and English skills.

---

## Skills

- iOS Swift
- MVVM Pattern
- VIPER Pattern
- Git / Gitflow
- Clean Code

---

## Experience

2022/09 – TODAY

### Mobile Software Engineer (Swift \ iOS) / PagBank - PagSeguro

I'm part of the time responsible by the project core, working in the architecture from project, working in improvements in the architecture level and working in the modularization from the monolith.

2021/11 – 2022/08

### Mobile Software Engineer (Swift \ iOS) / Banco Itaú- Unibanco

As one of the biggest financial service companies in Brazil, Itaú Unibanco has more than 70k employees. As a Mobile Software Engineer (Swift | iOS), I work in the Bank App where the customers are companies, I'm responsible by the App Module focused on the end customers registration. My actual goal is updating the entire flow to a new design and update the struct from code, using the MVVM Pattern.

2020/08 – 2021/10

### Mobile Software Engineer (Swift \ iOS) / Banco Bari

Banco Bari is a digital bank specializing in real state credit. As a Mobile Software Engineer (Swift | iOS), I was part of the squad responsible for registration from the end customers in the Digital Bank App. I worked improving the flow, using the Swift Clean Pattern, adding new screens, updating some design screens and unity tests.

2018/05 – 2020/08

### Analyst Programmer / Gazeta do Povo

Gazeta do Povo was the first newspaper in Brazil to focus on digital format, considered the largest newspaper in Paraná, one of the states from Brazil. As part of the IT team, I worked in the new CMS Project, using PHP, WordPress, Typescript and NodeJS, deploys with CI to AWS and Gitflow using Gitlab. I started with Swift working in the company App and in the Clube Gazeta project.

2018/06 – 2021/10

## **iOS Developer / Phaneronsoft**

As an iOS Developer freelancer, I worked on various projects in my free time, like Paraná Banco, Ita Digital Bank, Garagem do conhecimento.

---
